

**IDEC Call for Participation  
COMMUNICATION COMMITTEE**

**April 9, 2009**

From: Lisa Tucker, Communication Director (Elect)

---

As many of you know, the IDEC Board has expanded the Board to include a Director of Communications. I will be serving in this capacity for the first year until someone can be elected to the position. The primary goal in adding this position to the Board is to improve communication with the IDEC membership. In order to develop a complete plan and accomplish this goal in the best possible way, I am asking for volunteers to work with me on a “communication committee.”

If you are interested in working with me on this over the next year, please contact me directly. The time commitment will be one year, beginning on May 1. We will do most of our work by email and through monthly +/- conference calls. The complete scope of this project will be decided with the new committee and will cover such areas as the IDEC website, all communications currently coming from IDEC including the e-record, e-news, conference announcements, conference brochures, etc.—both electronic and hard copy.

If you are interested in participating, please contact me at [ltucker@vt.edu](mailto:ltucker@vt.edu) by May 1, 2009.

Thank you for your interest,

Lisa
